3.1 CPD Course Accreditation - (Chargeable Service)

3.1.1 CPD Courses receiving accreditation are subject to a rigorous mapping process against the internationally recognised CPD Group ACCREDITED Framework to ensure their suitability. The CPD Group ensure each and every CPD Course application is subjected to the same rigorous mapping exercise. We do not adopt a 'Blanket Accreditation' methodology, ensuring universal standards are maintained across all accredited Courses.

3.1.2 You agree that our Course accreditation service is limited to assessing/reviewing the related learning materials and/or educational content, and supporting resources used for the delivery of the Course, are suitable and comply with The CPD Group ACCREDITED Framework criteria. We have no responsibility for reviewing the technical content, accuracy or completeness of the materials/content/resources provided.

3.1.3 All CPD Courses must be submitted as individual, separate, subjects and accredited on their own merit. CPD Courses submitted covering multiple subjects will be returned and a request to separate them into their individual subjects and accreditation offered on an individual basis. Failure to action this request will result in a hold on the accreditation process.

3.1.4 To enable us to perform the Accredited Course(s) assessment/review process we require Approved Providers to supply us with all learning materials, content and resources used for the delivery of each Course they submit for accreditation. These may take the form of, but not limited to, Learner Manuals, Articles, Videos, PDFs, Handouts, Lesson Plans, PowerPoint Presentations, Tutor Notes and/or any other related materials used for the course delivery.

3.1.5 All materials submitted for accreditation review must be provided in the English language. Where any course materials, resources, or supporting documentation have been produced in a language other than English, the Approved Provider must supply a full and accurate English translation of all such materials prior to assessment. The CPD Group reserves the right to pause the assessment process until compliant materials are received.

3.1.6 CPD Course applications will be subject to a pre-screening process to ensure applications are completed in their entirety. You agree that the full accreditation assessment/review process will not commence until any returned Course applications are re-submitted with all requested actions complete. At which point the timeframes identified in section 3.1.12 will be applicable.

3.1.7 CPD Courses submitted for CPD Accreditation must avoid terminology commonly associated with Ofqual Regulated Qualifications. Course applications will be returned for terminology to be addressed ensuring consumer transparency. The accreditation process will be put on hold until such time as the required terminology is addressed/amended.

3.1.8 Course Mapping - you agree that submitted courses where the title includes the term 'Level' must be accompanied by a sufficient 'Mapping Document', demonstrating the learning outcomes of the CPD Course align to a regulated qualification training course of the same level. Mapping Documents are supplied via the Approved Provider dashboard. If the Approved Provider is unable or unwilling to provide such Mapping documentation, the term 'Level' must be removed from all course titles/materials/resources etc.

3.1.9 Dependant on the Course subject matter submitted, we withhold the right to request additional policy documents to be signed or further evidence of competency before the Accreditation process can commence. This will be communicated if/when required. You agree that if you are unable or unwilling to sign these additional policy documents, that all submitted Course(s) that are subject to the conditions of the additional policy documentation will not be assessed/reviewed until such time as the requested signed documents or further evidence is received.

3.1.10 In the case where an Approved Provider is unable to sign any additional policy documentation requested, at the sole discretion of The CPD Group, we may offer the Course accreditation 'slot' back for re-use. This will be confirmed in writing.

3.1.11 The assessment/review process for CPD Course Accreditation will commence in due course following the submission of the CPD Course application via The CPD Group's online portal, provided we receive payment in accordance with clause 4.

3.1.12 Upon submission of CPD courses, you are required to agree to a 'Statement of Authenticity.' This statement confirms the authenticity of the information, course materials, and evidence of the course author's professional qualifications/experience. Furthermore, it verifies that you hold the requisite licenses/permissions for the submitted materials. Please note that we accept no liability for any intellectual property infringement arising from your submissions.

3.1.13 On submission of CPD Courses, they will be subject to the following timeframes. These are for guidance purposes only and may be subject to change from time to time. Upon CPD Course submission we aim to review applications, in the first instance, within an average timeframe of 2-4 weeks from the date of submission. This timeframe may vary and is dependent on a variety of factors such as, but not limited to, the size of the course(s), the number/size of materials/resources submitted, the volume and complexity of the CPD Courses received.

3.1.14 You agree that once a CPD Course has been submitted and the accreditation process has commenced, you are not permitted to remove or alter the Course in any way. 3.1.16 You agree that the Accredited Course assessment process is specific to the learning materials/content/resources alone and is in no way a measure, or reflection of the competency of the individual Trainer delivering the course.

3.1.17 Approved Providers may submit CPD Courses for accreditation at any time throughout the duration of their Accreditation Plan, up to 2 months prior to the expiry date of the contracted payment plan if accreditation 'slots' are available on the account. Any CPD Courses submitted after this time may result in the activity not receiving CPD Accreditation and contract renewal will be required. This is down to the discretion of The CPD Group only and will be confirmed in writing.

3.1.18 You agree that the CPD Accreditation applied to each CPD Course is in no way related to any products, goods, or machinery, or any such item, offered as part of a 'package' and is solely related to the learning materials/content/resources presented to us via the CPD Course accreditation application form.

3.1.19 On successful CPD Course Accreditation you will be provided with a unique Accredited Activity Logo and the Accredited CPD Course will be published on The CPD Register (https://thecpdregister.com/) under the Approved CPD Provider listing. You agree that the use of your unique Accredited Course(s) logo is used in line with The CPD Group's Brand Guidelines and not used for any other purpose.
****Approved Provider logos are not permitted to be presented on learner certification****

3.1.20 You agree that that you are not permitted to claim, market or promote your CPD Courses as 'CPD Accredited' by The CPD Group until such time that accreditation is granted, and the Accredited Activity Logo and associated unique accreditation number is made available in the Approved Provider online account. Submission of Training Materials and Resources as part of a CPD Accredited Course application is in no way an indication that the accreditation has been granted.

3.1.21 Once Accredited Course status is granted, for any CPD Course, you agree to not alter, in any way, the title, content or delivery method of the Training Course from those which have been subject to the CPD Accreditation assessment/review process, unless you are updating course materials. Failure to abide by this may result in Accreditation Suspension.

3.1.22 CPD Credits will be allocated/assigned to each individual subject approved for CPD Accreditation. You agree that these CPD Credits are only valid from the date accreditation is granted and cannot, in any way, be 'back dated' to students/learners who completed the training prior to the date accreditation was granted.

3.1.23 Any unused 'Accreditation Slots' within an Approved Provider's Accreditation Plan which are not utilised throughout the duration of the contracted plan, are non-refundable and cannot be carried over to an additional extended accreditation plan.

3.1.24 Following 3 consecutive failed payment attempts over 3 consecutive days, or cancellation of your Direct Debit mandate for the Accreditation Contract, your Approved Provider account will be automatically suspended. This includes suspension of all Accredited Courses, and a request will be lodged with The CPD Register to display all Course Accreditations as 'Suspended' until such time that the outstanding fees are paid in full. In the case of CPD Accredited Course suspension, you are not permitted to claim, market or promote your CPD Courses as CPD Accredited by The CPD Group until such time that the suspension is removed.

3.1.25 All CPD Accredited Courses are subject to a mandatory 36-month review. The review process will be automatically initiated at the point each accredited CPD Course reaches the 36-month point. This will be at no additional cost to the Approved Provider. The review process may reveal required amendments, changes, updates and/or actions that will be communicated via The CPD Group Accreditation & Compliance Team in writing. A reasonable timeframe will be assigned to these amendments, changes, updates and/or actions. They must be completed within the determined timeframe. If the Approved Provider is unable or unwilling to make these amendments, changes, updates and/or actions in the given timeframe, this may result in CPD Accreditation suspension/expiry.

3.1.26 The CPD Group actively encourage the maintenance of all CPD materials, learning resources and educational content and any additional resources used in the delivery of the CPD course. This can be achieved via the Approved Provider account on The CPD Group online portal. However, if significant changes are being made that impact the learning outcomes of the course, you will be required to submit the updated course as a new course for independent Accreditation.

3.1.27 The CPD Group withhold the right to refuse CPD Accreditation for any course on the grounds of the title, subject, content, delivery method, ethical alignment, suitability for CPD Accreditation or courses that may cause harm, distress, or pose any other form of risk to either the Training Provider, Student/Learner or potential clients of the Company.

3.1.28 CPD Course Accreditation Contracts can be held by the Approved Provider for 12-, 24-or 36-month period, after which time the Accreditation Contract becomes EXPIRED. Restrictions to your account on The CPD Group portal will be imposed at this time. Any CPD Course Accreditation time remaining on the CPD Accredited Courses will be honoured and the CPD Accreditation will remain valid until each Accredited course naturally expires.

Upon the expiration of the Accreditation Contract, options for extension will become available. Accreditation Contracts may be extended for additional periods of 12, 24, or 36 months.

If the Accreditation Contract is extended within 30 days of the expiration of the first CPD Accredited Course, CPD Courses will be automatically revalidated, and their accreditation periods will be extended accordingly. If the Accreditation Contract extension is processed after 30 days post-expiration of the first CPD Accredited Course, all CPD Courses with expired accreditation will require full re-review. Courses with remaining accreditation will have their expiration date extended by the contract extension term.

If the Approved Provider does not extend their Accreditation Contract, all CPD Accredited courses with time still remaining will be honoured and will continue to hold valid CPD Accreditation until such time as the accreditation naturally expires.

3.1.29 Upon expiry of the CPD Accreditation Contract, the Approved Provider will no longer be permitted to use The CPD Group's intellectual property in relation to the expired Accreditation Contract, including the Approved Provider Logo. However, where an individual CPD Course retains valid accreditation under clause 3.1.28, the Approved Provider may continue to use the relevant Accredited Activity Logo and claim, market and promote that individual course as CPD Accredited by The CPD Group until the individual course accreditation naturally expires.

3.1.30 Any CPD Course applications that The CPD Group are unable, or unwilling to provide CPD Accreditation for will be removed from the Approved Provider account and the slot will become available for re-use.

10.7 If the rights under these Terms and Conditions are not exercised or enforced following a breach of Contract by either you or us, this does not mean that either of us has waived our right to do so at a later date.

10.8 No terms or conditions stipulated or referred to by you in any form whatsoever will in any respect vary or add to these Terms and Conditions unless we agree otherwise in writing.
Any variation to these Terms and Conditions or the Contract must be agreed in writing by the duly authorised representatives of each party.
