B06 Cover Note to the Assessor

What is enclosed, what changed since the first submission, and how the documents fit together.

Builder Gel Overlay and Short Extension CPD Course | Course author: Jessica Jane Preston | Version 1.4, November 2026 | Continuing Professional Development activity, not a regulated qualification.

Dear Accreditation and Compliance Team,

Thank you for your feedback on our earlier applications. This resubmission for the Builder Gel Overlay and Short Extension CPD Course (activity #22521) has been reworked against each element of the ACCREDITED framework and against the points you raised on our Gel Polish application. The course is a single subject, titled as a CPD course, and the application Description now sets out the content, learning outcomes and the Level 2 entry requirement. The enclosed documents are:

Document	What it is
B01 Learner Manual v1.4	The full learning material, 21 chapters, 21 figures: original anatomy, curing, architecture and technique illustrations, and licensed clinical photographs credited under each caption. Includes consultation and record forms, learner activities, a conclusion chapter and dated references.
B02 Theory Assessment Paper	50 marks: 20 multiple choice, 10 short answer, 2 scenarios. Pass mark 80%. Safety-critical errors corrected before any pass.
B03 Theory Mark Scheme	Answers and mark allocation for B02.
B04 Practical Observation Marking Sheet	Twenty observed criteria, seven safety-critical, scored 0 to 2; pass at 80% overall and every safety-critical criterion met. Adapted from The CPD Group template.
B05 Lesson Plan	On The CPD Group template: one taught day of 7.5 guided learning hours, with 2.5 hours pre-course and 7.5 hours of case studies, 17.5 hours in total, matching the application.
Author CV and certificates	CV for the course author with the qualification certificates previously uploaded.

How the framework is addressed

- Accessible: adjustments listed in the application's Additional Information and in the lesson plan; large-print and digital manual, extra time, reader or scribe, oral answers; the venue is step-free.
- Content: UK legislation current to October 2026 (COSHH, PPE 2022 amendment, RIDDOR, UK GDPR, the 2026 TPO restriction SI 2026/23); anatomy and conditions illustrated with credited clinical photographs; every reference dated and checked.
- Creativity: 21 figures, 43 tables, scenarios, teach-back and pair activities, knowledge checks; a presentation accompanies the taught day.
- Relevant: the ten learning outcomes map to chapters and to the lesson plan objectives column; the title is the same on the manual, application and certificate.
- Eligibility: minimum Level 2 Beauty Therapy, Nail Services or equivalent, 18 or over, stated in the Description and in Chapter 1.
- Details: single subject; 'CPD Course' in the title; proofread; figures numbered in sequence.
- Intellectual property: original illustrations owned by the school; photographs under Creative Commons with author, licence and source beneath each; image register available on request; BIAB acknowledged as a trade mark and not used in the title.
- Tested: separate theory paper and observed practical with written criteria, plus three case studies.
- Expertise: CV and certificates enclosed; author section in the manual.

- Duration: 17.5 hours of learner effort, broken down in Chapter 1 and the lesson plan.

We are happy to supply the image credits register, the presentation slides, or anything else that would help the review. Thank you for your time.
